The Deputy Commr, recommends that the proposal may be sanctioned, as this is not a case of new tax.

The Tiptur mcl have established toll-gates and are levying tolls and have framed rules on that behalf and a copy of the rules in force has not been sent along with the proposal.

In the case of Hassan mcl, similar proposals were sanctioned and the items were added on to the rules in force.

A The proposal of the mcl to levy tolls on motor Vehicles may perhaps be sanctioned. As regards the proposal for compounding tolls, the proposal has to be over, as there is no provision in the existing laws enabling mcls to compound tolls with the owners of vehicles.

The mcl requests permission to sell the right of collecting toll at the proposed rate during 1928-29
